

February 2015

**Personalized Surgical Management Program**  
**COMING SOON!**

Dear Valued Culinary Provider:

The Culinary Health Fund is pleased to announce an exciting new program for Culinary participants who are scheduled to have in-patient elective orthopedic and neurosurgical procedures with network physicians.

This innovative program- "Personalized Surgical Management" is designed to create a superior patient experience and surgical outcome. Together, the Fund, NHS and all health care professionals can coordinate patient care with interventions such as:

- PCP notification of upcoming surgical procedure
- Surgeon notification of undocumented findings during claim and pharmacy reviews
- Physical therapy *prior* to surgery with emphasis on patient education and expectations after surgery.
- Home assessment and planning for post-operative needs after surgery

Thank you in advance for your cooperation and we look forward in working together to improve surgical outcomes and patient experience with this unique program.

You should receive notification of the effective date of this program within the next few weeks. Please feel free to contact Provider Services at (702) 892-7313, x2 if you have any questions.

Sincerely,

The Culinary Health Fund Administrative Services, LLC
