1. The pharmacy staff can enroll members instantly. Stop by the pharmacy or call 702-650-4417.
2. Once enrolled members will receive an individual login ID; this along with the patient's date of birth (MM/DD/YYYY) will be used to access the website.
3. After the initial login patients will be instructed to change their password. Login IDs will remain the same. The pharmacy staff has record of login IDs if forgotten.
