RE: Preferred Diabetic Meters

Dear Valued Culinary Provider,

The Culinary Health Fund would like to remind you of the preferred vendors of diabetic supplies. The Culinary Health Fund is exclusively utilizing Roche and Johnson & Johnson meters and supplies. These are the **only** diabetic products that will be available at the Culinary Pharmacy.

To ensure participants are prescribed the correct diabetic meters and/or supplies, a prescription form has been included in this notification for your use. If you currently have a Culinary Health Fund participant utilizing anything other than what is on this prescription form, please be sure to switch them to the preferred meter during their next visit. You can fax the completed prescription to the Culinary Pharmacy at (702) 369-5940.

If you have any questions regarding this reminder, please contact Mary McGill at (702) 691-5690.

Sincerely,

The Culinary Health Fund Administrative Services, LLC
