Dear Valued Culinary Provider:

The Culinary Health Fund would like to advise you that the St. Rose Quality Care Network (SRQCN) has retained a consultant, Strategic Healthcare Solutions, to conduct a payer rate survey on their behalf for all its participating physicians. Please be advised that in accordance with Article V, Section I of your Culinary Health Fund Preferred Provider Agreement, reimbursement information is confidential and divulging this information is strictly prohibited. Please find the specific reference from your agreement below:

Article V, Section I. Confidentiality. During the term of this Agreement and for a period of two (2) years thereafter, NETWORK and PROVIDER shall ensure that directors, officers, employees, contractors and agents hold Confidential Information including but not limited to the content of this Agreement, NETWORK's policies, procedures, and programs in the strictest confidence and in accordance with state and federal law, except as required in the performance of this Agreement. Both parties agree that disclosure of a party's Confidential Information other than accordance with this section shall cause irreparable injury to such party, and the non-breaching party shall be entitled, without limitation, to injunctive relief to prevent the other party's breach of this section, in addition to such measurable damages as may be incurred. This Section shall survive the termination of this Agreement. PROVIDER shall keep strictly confidential all compensation Agreements set forth in this Agreement, except that this provision does not preclude disclosure of the method of compensation, e.g., fee-for-service, capitation, share risk pool, DRG or per diem. NETWORK and PROVIDER agree that nothing in this Agreement shall be construed as a limitation of PROVIDER's rights or obligation to discuss with any Eligible Person matters pertaining to the Eligible Person's health.

Your participation in this survey could be considered a material breach of your agreement and may adversely affect your continued participation in the Culinary Health Fund Preferred Provider Network.

If you have any questions, please contact provider services at (702) 892-7313, Option 1.
