RE: Culinary HCP Plan

Dear Valued Culinary Provider:

Effective October 1, 2015 the Culinary Health Fund will be implementing a new plan called Culinary HCP Plan. This new plan will be available to a limited group of participants and their eligible dependents and will require them to utilize HealthCare Partners as their primary care provider. In addition, all specialty care for Culinary HCP members will require a referral from Healthcare Partners and Nevada Health Solutions.

Providers will be able to separately identify Culinary HCP Plan members via our online and telephonic eligibility verification processes. Culinary HCP Plan members will also have a different identification card, please see sample below:

Please contact Healthcare Services at (702) 892-7313, option 2 if you have any questions or concerns.

Sincerely,

The Culinary Health Fund Administrative Services, LLC
