Culinary Health Fund

Volume 1, Issue 1

The mission of the Culinary Health Fund, a Taft-Hartley labor management trust fund, is to provide health benefits that offer high quality, affordable health care to our participants at better value with better service than is otherwise available in the market. We believe our success depends on innovation and on engaging our participants.

Table of Contents

The Culinary Health Fund has made several important changes that will take effect on **January 1, 2014**. Those changes are outlined in this booklet.

Health Care Reform

The first open enrollment for public health insurance exchanges had its official kick off on October 1, 2013. Experts predict that by 2016, more than 24 million people will use public exchanges to buy health insurance. Your patients may already be asking questions about exchanges and other changes coming as part of the Affordable Care Act in 2014. They may also be looking for information for family members and friends who don’t have coverage today.

The Culinary Health Fund is a proud sponsor of the **Nevada Health CO-OP**. The CO-OP is a not for profit, member-owned health insurance plan offered on the Silver State Exchange. Providers within the Culinary Health Fund Network effective January 1, 2014 are **AUTOMATICALLY CONTRACTED** with the Nevada Health CO-OP and may see CO-OP members.

For more information about the Nevada Health CO-OP, please contact their office directly at (702) 823-COOP (2667).

Administrative Enrollment Update

In an effort to better control fraud and abuse, **ALL** dependents in the Culinary Health Fund will be terminated from coverage, effective December 31, 2013, unless the participant re-enrolls their dependents at the Administrative Enrollment event.

Culinary participants will have the opportunity to re-enroll their dependents between December 3rd and December 21st, 2013. *Note – single participants are also required to re-enroll although it will not affect their eligibility status.

It is advised that provider staff remind Culinary participants to re-enroll to avoid eligibility disruption.

E-Mail Registry

Have you joined our e-mail registry? Registration is easy!!

Simply contact Culinary Credentialing jjenkins@culinaryhealthfund.org or call (702) 691-5606. Providers who join our e-mail registry have access to the latest news, policy changes, access to events, and much more delivered directly to their e-mail in-box.
