Dear Valued Culinary Provider:

As you are aware ICD-10 coding for all HIPAA transactions have become effective in October 2015.

Providers will need to adhere to this compliance; therefore the Culinary Health Fund will no longer accept claims that are billed with ICD-9 codes. Any claim received **after 7/1/16** will be denied. Providers submitting claims on paper will receive denials and all electronic submissions with ICD-9 codes will be rejected from the clearinghouse.

If you have any questions regarding this notification, please contact Provider Services at (702) 892-7313, option 2.

Sincerely,

The Culinary Health Fund Administrative Services, LLC
