## BriovaRx is the Specialty Pharmacy for Culinary

Since April 1, 2013 briovaRx has been the specialty pharmacy for the Culinary Health Fund. BriovaRx™ works hard to ensure every participant gets the expert, personalized support necessary to manage their complex conditions and prescribed medications. They will coordinate the efforts of all providers to keep treatment comfortable, efficient and successful.

BriovaRx™ is a patient-centric specialty pharmacy. Their staff of clinical experts will personally guide Culinary Health Fund participants through their prescribed treatments to ensure safe, effective and timely administration.

They provide thorough education on all medications they offer, including injection teaching, and proactive refill reminders as well as fast, free home delivery making it easier for participants to adhere to their treatments without disruption or delay.

BriovaRx™ will maintain close contact with Culinary Health Fund providers from start to finish, keeping you informed of your participants' progress. They will help to navigate the prior authorization process.
