Re: Immunization Update

Dear Valued Culinary Provider,

Recently, the State of Nevada Department of Health and Human Services released a notification regarding the State Immunization Program. The CDC has revised guidelines and set forth strict criteria for the Vaccines for Children (VFC) Deputization to underinsured children with VFC Vaccine.

If your site was not selected to be deputized, you may refer Culinary participants to the Southern Nevada Health District:

SNHD- Henderson
SNDH- East Las Vegas
SNHD- Main
SNHC- North Las Vegas

In conjunction with the SNHD, you may also refer to other Federally Qualified Health Centers (FQHC). For a complete listing of Federally Qualified Health Centers (FQHC), please visit our website at: www.culinaryhealthfund.org.

The Culinary Health Fund understands that participants may choose to have vaccinations at your office. We recommend providers use a waiver to present upon service (see attached).

If you have any questions please feel free to contact Provider Services at (702) 892-7313.

Sincerely,

Cindy Pearson
Sr. Manager of Healthcare Networks
