REMINDER

April 9, 2009

Dear Valued Culinary Provider:

This is a reminder that all services performed by an out of area provider require prior authorization. This includes services to be performed at UCLA.

If you have a Culinary Health Fund participant that requires services that cannot be performed in Las Vegas please contact American Health Holdings, Inc. either via telephone at 866-330-2307 or the website at <http://culinaryhealthfund.ahhinc.com> to initiate a pre-certification. The request will be assigned to a nurse for review. Please be prepared to supply information as to why the services cannot be performed by an in network provider within the Las Vegas area.

Thank you for your cooperation in this matter. If you have any questions, please contact the Provider Services Hotline at 702-892-7313.

Sincerely,

A handwritten signature in black ink, appearing to be "Shelli Lara", written over a horizontal line.
